The virtue of the month for December is *TOLERANCE*. It is defined as *willingness to accept behavior and beliefs that are different from your own, even if you disagree with them*. The 6th grade class introduced the virtue of the month to the rest of the school during morning announcements on Monday, December 3rd and staff members and students wore GREEN in honor of this virtue.

Reminder: The school store will be open in Mrs. Heider's room at the end of the month. Small prizes, candies, and certificates will be available for purchase. Keep earning those Booster Bucks!
